

Savory Turkey Pizza

Printed from Turkey Recipes at <http://www.turkeyrecipes.org/>

After a rich, seasonal celebration, coming back to a simple, comforting meal can be just what you're craving. Enjoy a hassle-free, no-frills pizza that will get you out of holiday mode—if only for a night. Use leftover cranberry sauce for a slightly sweeter sauce, reminiscent of BBQ chicken pizza, or substitute pizza sauce for a more Italian flair.

Ingredients:

16-ounce pre-cooked pizza crust
2 cups prepared pizza sauce or leftover cranberry sauce
1 ½ cups leftover turkey, chopped
½ cup thinly sliced red onions
¼ cup chopped fresh basil
8 ounces shredded Monterey Jack cheese

Directions:

- 1) Preheat oven to 375°F.
- 2) Spread pizza or cranberry sauce over pizza crust. Evenly distribute turkey over sauce, followed by onions and basil. Top with cheese.
- 3) Bake about 10 minutes, until cheese is melted and golden. Serve immediately.
